EDUCATION

Manipal University Jaipur

B.Tech - CGPA - 9.16

09/2024 – Present

Jaipur, Rajasthan

Regency Public School

ICSE - Class 12th - Percentage - 93%

04/2022 – 04/2023

Sitapur, U.P.

TECHNICAL SKILLS

Languages: Java, Python, C/C++, SQL, HTML, CSS, JS

Tools: VS Code, Canva, Jupyter, Cisco Packet Tracer, AutoCAD, MatLAB, Git

COURSEWORK / SKILLS

- | | | | |
|---------------------------|---------------------|--------------------------------|-------------------------------------|
| • Artificial Intelligence | • Data Science | • OS Fundamentals | • OOPS Concept |
| • Machine Learning | • Computer Networks | • Data Structures & Algorithms | • Database Management System (DBMS) |

PROJECTS

Data Structures Visualizer [↗](#) | [C](#)

- Developed a console-based tool to demonstrate stack, queue, and linked list operations with stepwise visualization.
- Implemented error handling for overflow/underflow conditions and memory allocation failures.
- Showcased strong grasp of DSA fundamentals.

Student Result Analyzer [↗](#) | [Python](#) + [Pandas](#) + [SQL](#)

- Designed a script to import student marks from CSV, calculate averages and ranks, and store results in MySQL.
- Utilized Pandas for data analysis and SQL for persistent storage.
- Highlighted ability to combine analytics with database management.

Bank Management System [↗](#) | [Python](#) + [MySQL](#)

- Built a CLI-based system for account creation, deposits, withdrawals, and transaction history.
- Integrated Python with MySQL using `mysql-connector` and implemented validation checks for reliable database operations.
- Demonstrated backend logic and database integration.

CERTIFICATES

Object-Oriented Hierarchies in Java

Certificate

30/06/2025

Google AI Tools

Certificate

13/10/2025

Cisco - Switching, Routing, and Wireless Essentials course.

Certificate

23/11/2025

NPTEL Programming In Java

Certificate

24/11/2025
